

Beleave's Hamilton Expansion Set for Consideration by Planning Committee on May 14

Beleave to add roughly 100,000 sq ft to Cannabis Growing and Harvesting Facility

Toronto, Ontario— May 7, 2019 – Beleave Inc. (CSE: BE) (OTCQX: BLEVF) ("**Beleave**" or the "**Company**") is pleased to announce that the Hamilton Planning Committee will consider the Company's upcoming Hamilton facility expansion plans during a public meeting to be held on May 14, 2019.

Date: May 14, 2019

Time: 9:30 a.m.

Address: Council Chambers, 2nd Floor
City Hall
71 Main Street West
Hamilton, Ontario

Members of the community are invited to attend and learn more about the development and share their thoughts and questions regarding the proposal.

The Hamilton facility houses growing space for Beleave's line of cannabis products, and continues to be its main hub for extraction, packaging, and distribution. The proposed expansion will allow the Company to greatly increase the efficiency and productivity of its growing and distribution strategy.

ABOUT BELEAVE INC.

Beleave is an ISO certified, Canadian cannabis company headquartered in the Greater Toronto Area that cultivates high-quality cannabis flower, oil and extracts for medical and recreational markets. Beleave is fully-licensed to cultivate and sell medical and recreational cannabis and is leading the way through research partnerships with universities to develop pharma-grade extracts and derivatives.

Beleave is developing new product lines, including cannabis-infused powder products for 2019 as the recreational market is expected to allow for food and beverage-based cannabis products. Beleave has developed a network of medical cannabis clinics in Ontario and Quebec under the Medi-Green banner. Through its majority ownership of Procannmed S.A.S., Beleave is fully licensed to cultivate, produce, and extract medical cannabis in Colombia positioning it to capitalize on exports and the expanding

Latin American market. The Company has partnered with Canymed GmbH to supply the German market with medical cannabis.
